

ENVIRONMENTAL POLICY STATEMENT

Waste 2 Resource Limited is committed to industry leading standards in order to minimise the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Working with its Clients and Suppliers to minimise waste production by evaluating operations and ensuring they are as efficient as possible.
- Minimise emissions through efficient transport planning and selection and use of its fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its Customers and Suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.
